ATHENS

PRELIMINARY PROGRAM

Welcome Address

Dear colleagues,

For the first time in its long history, the Hellenic Association of Endoscopic Surgery (HAES) joins forces with the European Association of Endoscopic Surgery (EAES) in organising a **Joint Symposium of Minimally Invasive Surgery in Athens, Greece**. It is our pleasure and honour to invite you to the **1st Minimally Invasive Surgery Symposium on Colorectal Surgery**. This will be the beginning of a series of minimally invasive surgery Masterclasses hosted by the Hellenic Association and organised by the two associations together, discussing the latest subjects on various surgical subspecialties with a focus on laparoscopic, robotic and endoscopic surgical techniques.

The thematology of the Masterclass expands from the newest concepts and novel technologies on colorectal surgery to the use of the latest robotic platforms and their indications. Most importantly, it includes a training session for surgeons giving tips and tricks on various colorectal procedures such as TaTME, laparoscopic CME and robotic LAR given by masters of the field across Europe and secrets in mastering the art of laparoscopic colorectal surgery. Experts in colorectal surgery from Italy, Switzerland, the United Kingdom, the Netherlands and Greece will share their experience with the delegates, and this will hopefully spark interesting discussions amongst the audience.

Our colorectal symposium finds place in a historic venue in the centre of Athens, the Museum of Cycladic Art. It is a unique opportunity to combine the most modern surgical approaches to colorectal disease with ancient methods and archaic treatments for disease. And all of that, in a space that will give the opportunity to participants to not only get all up-to-date information on colorectal surgery but also to indulge, should they wish to, in the ancient collections of the museum.

We are very excited to welcome you all to the 1st Minimally Invasive Surgery Masterclass on the **17th of September 2022** in the **Museum of Cycladic Art in Athens**. This will be the beginning of a series of events organised by HAES in collaboration with EAES which will hopefully bring the standards of minimally invasive surgery training in the Hellenic area even higher than they already are.

Looking forward to seeing you all in Athens.

The Organising Committee

M.G. Pramateftakis
MD PhD FICS MSCS

*Assist. Prof. of Surgery,
Aristotle Univ. of
Thessaloniki, Greece,
4th Surgical Department,
"G. Papanikolaou" Gen.
Hospital, Thessaloniki
Consultant Colorectal
Surgeon*

S.A. Kapiris
MD, PhD, FACS

*Consultant General
Surgeon and Head,
3rd Dep. of Surgery,
"Evangelismos" Hospital,
Athens, Greece
f. President of the
Hellenic Association for
Endoscopic Surgery*

V.Drakopoulos
MD PhD FACS

*Consultant General
Surgeon, 3rd
Dep. Of Surgery,
"Evangelismos"
Hospital, Athens,
Greece*

S. Antoniou
MD PhD MPH FEBS FACS

*Consultant General Surgeon,
Mediterranean Hospital of
Cyprus, School of Medicine,
European University of Cyprus*

Scientific Program

09:00	Registrations
09:30 - 09:40	OPENING AND WELCOME
09:40 - 11:20	NEW CONCEPTS, NOVEL TECHNOLOGIES
09:40 - 10:00	Fluorescence-guided colorectal surgery
10:00 - 10:20	TaTME for low rectal cancer
10:20 - 10:40	Hernia prevention in colorectal surgery
10:40 - 11:00	Laparoscopic CME: How does it stand against the open approach?
11:00 - 11:20	TAMIS & the transanal approach
11:20 - 11:50	LECTURE Secrets and training in minimally invasive surgery of the rectum
11:50 - 12:10	Coffee break
12:10 - 14:10	LAPAROSCOPIC COLORECTAL SURGERY FOR THE NOVICE SURGEON
12:10 - 12:30	Tips and tricks for right hemicolectomy
12:30 - 12:50	Hand-sewn, stapled, intra- or extracorporeal anastomosis following right hemicolectomy. Who wins?
12:50 - 13:10	Laparoscopic CME: a technical step-by-step learning guide
13:10 - 13:30	Tips and tricks for transverse & left colectomy
13:30 - 13:50	Splenic flexure mobilization
13:50 - 14:10	Tips and tricks for low anterior resection
14:30 - 15:30	Light lunch

ATHENS

Scientific Program

15:30 - 16:00	LECTURE - A REFERENCE TO ANCIENT GREEK MEDICAL SCIENCE IASIS. Hygieia. Health, Illness, Treatment from Homer to Galen
16:00 - 17:40	ROBOTIC APPROACH TO COLORECTAL DISEASE
16:00 - 16:20	Does robotic surgery provide better outcomes in surgical patients?
16:20 - 16:40	Pros and Cons of the robotic platform in colorectal disease
16:40 - 17:00	Robotic low anterior resection: tips, tricks & benefits
17:00 - 17:20	Robotic TaTME. Pain or gain?
17:20 - 17:40	Questions & Comments
17:40	Closing remarks

General Information

Date & Venue

17th September, 2022
Museum of Cycladic Art, Athens, Greece
(Neophytou Douka 4, 106 74 Athens, Tel: (+30) 210 7228321-3), museum@cycladic.gr)

Official Language

English will be the official language of the Symposium and no simultaneous translation will be provided.

CME Accreditation

The Symposium will be accredited with CME credits by the National Medical Association.

Certificate of Attendance

Please note that a barcode system will be used and in order to obtain CME credits you must complete 60% participation of the scientific program. The certificates will be send by the end of the Meeting and as soon as the evaluation form will be submitted to the Meeting Secretariat.

Presentations

Available audiovisual equipment for all presentations will be through power point presentation. For power point presentations, your presence to the "technical reception desk" is required one hour prior to the time of your presentation in order to check the compatibility of your cd or usb stick. Use of personal computers will not be permitted.

Exhibition

Within the Symposium area there will be an exhibition of medical equipment and pharmaceutical products.

General Information

Registration Fees

Registration Type	Cost
Specialists -HSES Non Member	80 €
Specialists -HSES Member	50 €
Residents	Free
Nurses	Free
Students	Free

VAT 24% is not included in the above registration rates

Registration fees include:

- Admission to the scientific sessions
- Certificate of attendance
- Admission to the exhibition area
